

Department of Tourism and Cultural Affairs Language Access Plan

June 27, 2024

I. Purpose and Authority - This section provides the legal basis for the agency's plan and protocol and connects the plan and protocol to the State Agency's mission.

Nevada's Senate Bill 318 (SB318) and the federal guidance on Title VI both agree that language should not be a barrier to accessing governmental programs and services. As SB318 puts it, "Persons with limited English proficiency require and deserve meaningful, timely access to government services in their preferred language." Moreover, it makes it clear that it is the responsibility of government to provide that access:

State and local agencies and entities that receive public money have an obligation to provide meaningful, timely access for persons with limited English proficiency to the programs and services of those agencies and entities.

Department of Tourism and Cultural Affairs (DTCA) is committed to compliance with Nevada Senate Bill 318 and Title VI of the Civil Rights Act of 1964, 2 C.S. § 561 et seq. (Act 172 of 2006) in ensuring meaningful access to State services and programs for individuals with limited English proficiency.

The purpose of this document is to establish an effective plan and protocol for DTCA personnel to follow when providing services to, or interacting with, individuals who have limited English proficiency.
